**MATURE  
READERS  
ONLY.  
OBVIOUSLY.**

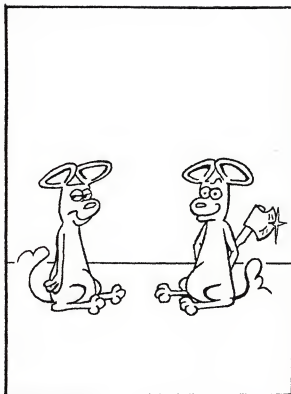

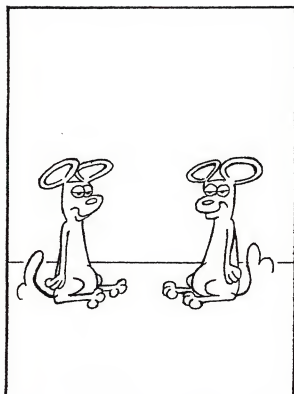

Oh, my. After a long hiatus, Martin is back. (Well, sort of. He's barely in this issue, but that's beside the point.) The important thing is that you now hold in your grubby little hands the third issue of MTSR. I'm not sure who's more surprised—me, you, or Hitler.

This is shaping up to be a big year for us at Satanic Racoon headquarters. You're already holding the new issue, and we have an all-alien 2004 calendar on the way (look for it in fall), possibly a fourth issue, and sometime next year we hope to make the leap to a full-size issue. Oh yes, my pretties. World domination, wealth, fame, and lots of ho's are sure to follow.

Like a lot of cartoonists, I get really bored while drawing, and hence my CD collection is ample enough to serve as the foundation for a small house. This particular issue was produced under large amounts of Cryptopsy, Suffocation, Nile, Nasum, Regurgitate, Agoraphobic Nosebleed, Pig Destroyer, Cattle Decapitation, Darkthrone, Emperor, Khold, Cadaver Inc., C.S.S.O., Sigh, Catasexual Urge Motivation, Cephalic Carnage, NON, Whitehouse, Godflesh, Disgorge (Mexico), Cock & Ball Torture, Napalm Death, Carcass, Bolt Thrower, Vader, Dissecting Table, Fantomas, Secret Chiefs 3, and Ananda Shankar. I'm sure you didn't really need to know all that, but just in case you wanted to know what music I find inspiring while drawing the maggots crawling out of a dead dog's anus, well, now you know.

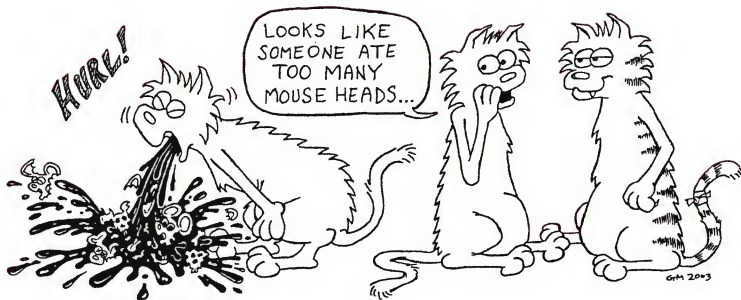

Additional copies of this issue are available for \$1, plus two first class stamps, from: Satanic Racoon Press, c/o Gabe Martinez, 1221 N. Seward St. #206, Hollywood, CA 90038. And be sure to look us up on the web at [www.satanicracoon.com](http://www.satanicracoon.com) for back issues & other merchandise, or e-mail us at [martinthesatanicracoon@yahoo.com](mailto:martinthesatanicracoon@yahoo.com).

## THEY SAVED HITLER'S BRAIN... AND GRAFTED IT ONTO AN OCTOPUS.

Hitler didn't read Martin the Satanic Raccoon, or look at the website ([www.satanicraccoon.com](http://www.satanicraccoon.com)), or buy a Martin T-shirt.

### DON'T LET THIS HAPPEN TO YOU!

It's true, dear readers. People who don't support Martin have been known to have their heads cut off and transplanted onto various sea-dwelling mollusks, just like Hitler there. You have taken the first step towards insuring your bodily integrity by purchasing this issue (well, arguably the first step might be "not running a genocidal fascist dictatorship," but I digress). But can you really be TOO sure that your head won't be transplanted onto a saltwater invertebrate? I think not!

So, check out [satanicraccoon.com](http://satanicraccoon.com), where we have back issues, T-shirts, and stickers for sale, as well as shitloads of illustrations, downloadable versions of issues, and archives of old shit I never intend to reprint. You'll be doing yourself a favor, as regular ingestions of MTSR have been scientifically proven to prevent unwanted decapitation & medical transplantation. Would I lie to you about something so serious?

ANIMAL-RIGHTS ACTIVISTS LIKE TO CLAIM THAT MOST PEOPLE WOULD STOP EATING MEAT IF THEY ACTUALLY HAD TO KILL AND PREPARE IT THEMSELVES. OBVIOUSLY THESE PEOPLE HAVE NEVER HEARD ABOUT THE RECENT...

## IN RUSSIA

LIFE IN THE FORMER SOVIET UNION HAS BECOME EVEN HARSHER SINCE THE COLLAPSE OF COMMUNISM. EVEN WITHOUT THE EXPLOSION OF SERIAL KILLERS (SUCH AS CANNIBALS ANDREI CHIKATILO AND NIKOLAI DZHMAGALIEV), LIFE THERE HAS ACQUIRED A CERTAIN DOG-EAT-DOG FLAVOR...

AS TIMES HAVE BECOME TOUGHER, MEAT HAS BECOME SCARCER. THUS, WHEN PEOPLE FIND A GOOD BUY ON THE BLACK MARKET, THEY USUALLY DON'T ASK QUESTIONS. TWICE IN THE URALS, THE ANTHROPOPHAGOUS ENTREPRENEURS WERE ONLY CAUGHT BECAUSE THEY BECAME SLOPPY ABOUT SKINNING THE CUTS...

LIFE IN PRISON IS EVEN WORSE. IN 1996, INMATES IN BARNOUL AND KAZAKHSTAN KILLED, COOKED, AND ATE THEIR CELLMATES. THEY CLAIMED TO ALLEVIATE BOTH THEIR HUNGER AND PRISON OVERCROWDING.

ALSO IN 1996, A MAN IN THE SIBERIAN TOWN OF KEMEROVO WAS ARRESTED FOR KILLING A FRIEND AND USING HIS FLESH AS THE FILLING FOR PELMENI, A TYPE OF RUSSIAN RAVIOLI, WHICH HE THEN SOLD ON THE LOCAL MARKET.

IN THE TOWN OF MANTUROVO, TWO WOMEN, VALENTINA DOBLINA AND VITALY BOZRODNOV, KILLED A DRINKING BUDDY AND COOKED HIM, SERVING HIM NOT ONLY TO DOBLINA'S FOUR YEAR-OLD SON, BUT ALSO TO THE DEAD MAN'S BROTHER AS WELL!

AND IN 1997, ST. PETERSBURG RESIDENT ILSHAT KUZIKOV WAS CONVICTED OF KILLING AND EATING THREE PEOPLE. KUZIKOV REPORTEDLY MARINATED THE CHOICER CUTS IN A PLASTIC BAG HUNG OUTSIDE HIS WINDOW AND KEPT PEPSI BOTTLES FILLED WITH BLOOD TO LAST HIM THROUGH THE WINTER.

THE MORAL OF THE STORY — PEOPLE LIKE MEAT, AND WILL KILL TO GET IT. IN MOST OF THESE CASES, THE PERPETRATORS WEREN'T STARVING — THEY SIMPLY WANTED MEAT. SO NOW THAT YOU KNOW PEOPLE ARE CAPABLE OF KILLING AND EATING EACH OTHER WITHOUT BEING TRAPPED IN A PLANE CRASH IN THE ANDES, DIG INTO YOUR NEXT STEAK AND SAY, "THANK CHRIST AM LIVE IN AMERICA, GAUDDAMMIT!"

"TAKE THIS, AND  
EAT IT, FOR THIS  
IS MY BODY. "

THE GLORY  
OF GOD
